

Sport and Society Transition Project

Choose one of the following sports and answer the 10 questions;

Tennis

Football

Cricket

1. Where did the game originate?
2. When were the rules first written down?
3. What was the first governing body? When was it established?
4. Who are some notable historic players and was it an upper or lower class game?
5. What were the earliest competitions?
6. Who are some of the earliest teams?
7. Find and copy and paste some early photos of the sport. What is different or the same as today?
8. How did the industrial revolution impact your sport?
9. What competitions are there now?
10. What has led to this change?

Detail is key at A level so please ensure you aren't brief and don't copy and paste text. Read around the topic, spark some interest and condense into your own words!

Any questions then don't hesitate to ask;
